

7 Step

Facial Care Routine

Blemish Clear Line | for acne prone & sensitive skin

1 Remove

Cleansing Oil

When applicable, remove make-up with any oil suitable for your skin and preference (sweet almond and/or shea nut liquid oil, avocado oil, etc).

It helps gently remove makeup, dirt, and impurities while balancing the skin's natural oils.

2 Cleanse

Blemish Clear Cleanser

Remove remaining dirt and excess natural oils using a gentle cleanser.

Blemish Clear Cleanser with clinically-tested ingredients provides a gentle, deep cleansing that helps clear pores from the impurities, build-up, and daily grime that lead to breakouts.

3 Exfoliate

Vit C & Oryza Sativa Gentle Scrub

Remove dead skin cells using a gentle scrub or mildly abrasive cloth.

This unclogs pores to improve the skin surface and uptake of applied products.

*Vitamin C & Oryza (Rice bran) Sativa Gentle Scrub beads gently exfoliate for a more even skin tone and glowing complexion. *Use a facial mask 1-2x a week*

4 Hydrate Tone

Rosewater Rejuvenating Mist, HA Hydrating Facial Mist

Hydrate and tone your skin with a water-based toner that contains either hyaluronic acid or glycerin to help lock in moisture.

Rosewater Rejuvenating Mist soothes, instantly hydrates and revitalizes skin. HA Facial Mist contains Aquaxyl®, clinically-tested to decrease skin's water loss and improves hydration.

5 Serums

Blemish Clear Spot Serum

Apply a small amount of serum to the entire face or areas in need.

Serums help deliver active ingredients to the skin for targeted outcomes. Hyaluronic Acid Firming

Serum contains the active Hyaluronic Acid with known plumping effects. It helps reduce the appearance of wrinkles and fine lines.

6 Moisturize

Blemish Clear Moisturizer

Apply moisturizer to protect skin from daytime elements and rejuvenate skin at night. Apply to face, neck and décolletage (excluding the delicate area around the eyes).

Blemish Clear Moisturizer provides light-weight hydration, improves the appearance of skin texture and tone while reducing the appearance of minor blemishes.

7 Protect

Sunscreen of your choice

Apply daytime sunscreen. Wait a few minutes before applying make-up.
